

Hello again to all of our members!

Great news about training!

We are now able to offer regular training at our own offices in Gladstone House where a very experienced trainer, Nigel Handbury, will be heading up our new sister company, County Training Services. It is anticipated that mandatory training courses will be held on a monthly basis, and a variety of other relevant training will also be available.

The courses currently open for booking are:

- **Manual Handling** – Monday 28th July 09.00 – 12.00
- **Basic Life Support** - Monday 28th July 12.30 – 14.30
- **Health & Safety** – Monday 28th July 14.30 – 16.30
- **POVA** – Wednesday 30th July 09.00-12.00

Please call the office (0117 9564511) if you would like to book a place on any of these courses, but places are limited so it is “first come, first served!”

A note for your diary

Our **Occupational Health Nurse**, Elizabeth Bunce, will be at our office in Gladstone House on Monday 4th August between 10am and 2.30 pm. She will be able to carry out BCG scar checks, or will be happy to discuss any other Occupational Health issues. Feel free to drop in – no official appointment necessary.

SALE!!
